**First Aid**

The training was clear and good understanding. (02/07/2024)  
 Always a great course full of information provided by Glen. (02/07/2024)  
 It is my 3rd first aid course but I have still learnt something new, the course was awesome. (02/07/2024)  
 Was very interesting! Good mix of fun and knowledge. (02/07/2024)  
 It was fun to learn about the new first aid by AID Renewables. (02/07/2024)  
 Very interesting, specifically the CPR and the terms in first aid class. (19/07/2024)  
 The instructor had a vast amount of knowledge of the course. It was fun and very interactive. (19/07/2024)  
 The first aid course was very in depth, as well as very understandable and interesting. We cover everything first aiders should know. (19/07/2024)  
 Insightful, exciting, lively and very satisfactory. Awesome. (25/07/2024)  
 I've learnt how to manage the situation without overthinking the situation and also relying on what I have learnt in class. (25/07/2024)  
 Great experience. (25/07/2024)  
 Excellent facilitator. (25/07/2024)  
 Excellent and fun course. Instructor has great experience. (25/07/2024)  
 Always great attitude. (30/08/2024)  
 Very insightful and helpful in adhering to real life situations and making a difference. (30/08/2024)  
 The practical examples and scenarios were very educational and helpful. It will assist in any possible future situations. (30/08/2024)  
 The first aid course went very well from the presentation to the practicals. The facilitator equipped us with sufficient information and it so relevant to the daily life basis. Bravo Zulu!! (30/08/2024)  
 Glen is nice. Glen knows what he is doing. I trust Glen, he is the best. (30/08/2024)  
 Course was very good and informative and will be useful for my day to day activities. (30/08/2024)

**Manual Handling**

Give me clear and safe ideas with manual handling. (03/07/2024)  
 Very interesting course material. Well presented by Glen. (03/07/2024)  
 Was fun and interactive. (17/07/2024)  
 The information is nice and let you understand the manual handling. (17/07/2024)  
 Manual handling is not easy as it sounds but it can help/reduce many injuries. (17/07/2024)  
 Excellent facilitator. (26/07/2024)  
 Informative, helpful, insightful, creating awareness, so necessary in work environment. (26/07/2024)  
 I am very satisfied with the practical and theoretical information. (28/08/2024)  
 The training was very fruitful, nice lessons were taught about handling loads at work. It provides safety for any individual to work safe. (28/08/2024)  
 Course was good and will help me in improving my way of doing things better with manual handling. (28/08/2024)

**Fire Awareness**

Always informative and interactive. Glen has a good grasp of the subject. (03/07/2024)  
 The course was very informative and engaging. (17/07/2024)  
 There was a lot that I have learnt and I know I can use it in the work environment. (17/07/2024)  
 It was very interesting and learn a lot to relay on others. (17/07/2024)  
 Insightful, informal, safety cautious and fun. (26/07/2024)  
 The course went very great. Great experience we have obtained. (28/08/2024)  
 Amazing presentation. (28/08/2024)  
 Super fun and informative. Scenarios of actual events were explained thoroughly and understood. (28/08/2024)  
 Very informative session providing relevant information regarding fire damage and injury mitigation due to fires. (28/08/2024)

**Work at height**

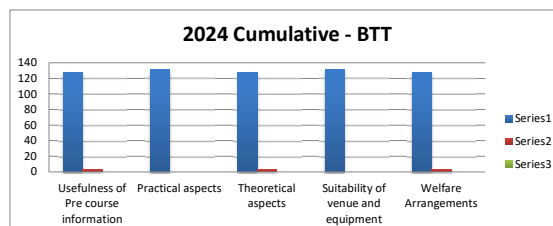

Instructor was very knowledgeable. (05/07/2024)  
 Training was very great. (05/07/2024)  
 I enjoyed my time here. (05/07/2024)  
 I had a better clear understanding of rescue etc. (05/07/2024)  
 I always enjoy the course at AID. Very informative. (05/07/2024)  
 It was very exciting experience. I learnt how to work at heights in wind turbine on correct procedures. (23/07/2024)  
 Instructors kept course interesting and fun. I sat to learn many new techniques and use of new gear. (23/07/2024)  
 Insightful, exciting, enriching and challenging. (23/07/2024)  
 Very nerve-wrecking, but excellent overall. (27/08/2024)  
 Everything went well, facilitator very experienced and knows what he is doing, especially considering safety for his students. Bravo Zulu!! (27/08/2024)  
 Personally enjoyed all parts of the training. Professional instructors made it a lot of fun. (26/08/2024)

**Sea Survival:**

Excellent facilitator. (20/07/2024)  
 Course was informative and interactive. (20/07/2024)
